DCLG Consultation on the new Building Regulations

Ant Burd from the DCLG will be speaking about the changes to the Building Regulations - a must-see presentation.

After that, you will take part in a lively debate where we ask the question 'Do local authorities properly enforce the Building Regulations?'

Our speakers will have extreme opposing views on this subject, so things will get interesting!

Other Conference highlights include:

- A presentation on the Green Deal by DECC's Steve Ives
- What the Welsh Assembly Government is doing in the run up to devolution
- Labour's view of Building Control
- A presentation on Closing the Performance Gap
- And the surprising results of our recent compliance survey.

This year also sees the return of our popular workshop sessions on topics, including:

- LABC Consult
- Foundations and embedded carbon
- Rainwater harvesting systems
- and much more!

Don't miss out on this essential event-book now!

You can attend the Client Conference on 13th March free of charge. There will be another DCLG update on Building Regs event in Westminster, London on 12th April for £45.

Last year's event was a huge success,
but don't take our word for it!

See for yourselves what last year's attendees
had to say...

"Excellent! Exceeded my expectations. Recently went to NHBC Conference on similar topics at a loss of £1500.75. However the content & presentation of your conference was much better."

"This was my first conference and I must say I was not disappointed."

"This is the first time I have attended the conference and am impressed at how professional and relevant the presentations are. Well done. An excellent programme & exhibition."

"Very relevant presenters, very high profile speakers who can steer/influence building control."

"Blown away, going back to authority with a trading company to service the things I can't do as well as a route to do the things I can outside of the BC Function. Really excited at the prospect of LABC Consult."

"Trevor's presentation was well worth waiting for. A great finale to the conference."

Only 3 weeks left to book!

You can also attend the Client Conference on 13th March free of charge, where the DCLG will go into detail about the new Building Regulation proposals. Or attend the next event in Westminster, London on 12th April for £45.
